Iconic Premium Elasticated Cuff Jog Pants

Fruit of the Loom's new Iconic Premium Elasticated Cuff Jog Pants are made to new levels of sustainability. Like all Iconic Premium Sweats, the Jog Pants feature CiCLO® biodegradable technology that helps synthetic fibres naturally biodegrade, preventing them from lasting forever in the environment. CiCLO® is changing the future of garment manufacturing – and Fruit of the Loom is the first imprint brand to create styles with this innovative fabric technology. These advanced biodegradable fibres behave and break down like natural ones – CiCLO® fibres are OEKO-TEX® ECO PASSPORT certified, non-toxic to marine life, and retain full durability and performance during wear. Not only are you choosing great quality and superb value, you're choosing a garment that leads the industry in sustainability. These high-quality premium classically-styled joggers feature an elasticated waistband with drawstring, handy side pockets, a brushed fleece inner for extra comfort and a smooth decoration surface made from 100% combed ringspun cotton.
