Mill

crafted with conscience.

Carefully curated, the SS26 collection brings together considered detailing, thoughtful shapes and eco-friendly fabrics. With ten new styles and colour updates across trusted favourites, the range reflects a commitment to responsible craft, finished with subtle character for everyday moments. From clean, simple forms to conversation prints, this is planet-conscious design with impeccable quality woven in.

New for SS26

sustainable style, untamed.

Full of considered character, the leopard print collection combines playful design, everyday practicality and responsible craftsmanship. Created for commuting, shopping, weekending and travelling, the collection offers simple, useful silhouettes that fit naturally into daily routines. A responsible take on a classic print.

naturally unique.

The Garment Dyed range combines spacious design with a naturally relaxed feel. Tonal, washed shades bring a subtle vintage character that suits everyday use, from shopping to travel. Made from 100% recycled cotton, these bags blend practicality with quiet style, offering a dependable companion for whatever the day holds.

everyday, reimagined.

With expressive tie-dye in muted hues, these pieces bring a gentle, trend-inspired character to everyday carrying. Simple, sturdy shapes offer comfort and versatility, with ample space for work, shopping or leisure. Crafted from a recycled blend of cotton and polyester, the collection fuses creative flair with a planet-minded approach.

Tie Dye Canvas Tote Bag

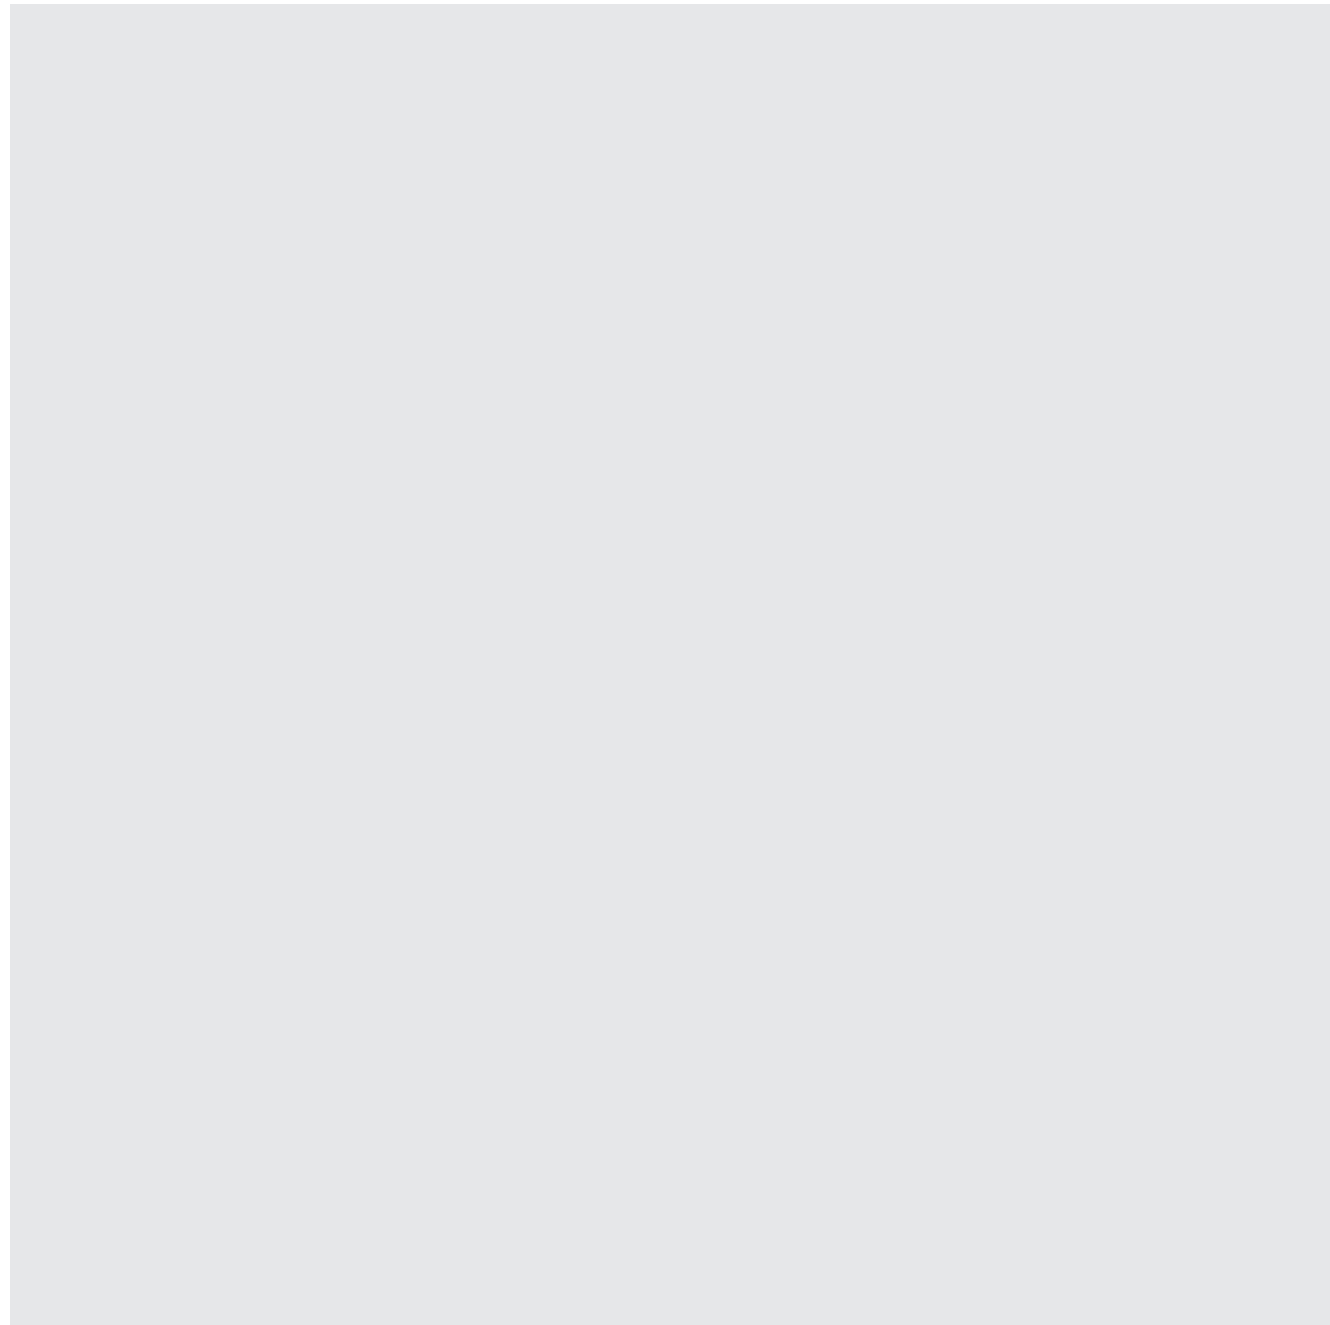

New for SS26

larger than life.

Shaped for summer escapes and easy everyday moments, this collection pairs generous capacity, considered aesthetic and premium fabrics. The yarn-dyed stripe feature lends a classic touch, while the premium heavyweight fabric offers durability with a soft, comfortable feel. With styles crafted from both 100% cotton and recycled cotton blends, each piece is thoughtfully made for holidays, weekends away and days spent by the sea.
